

Dear Sir / Madam,

In view of the ongoing situation, all AICTE Approved institutions are requested to make use of the digital course content made available for the benefit of the student / faculty under SWAYAM & ICT Initiatives of MHRD.

In this context, your institution can get FREE access to a lot of online information related to engineering & other courses @ <https://storage.googleapis.com/uniquecourses/online.html>

To access all these courses which are available FREE all the time no login (or) registration needed/required.

Further, we request all the institutes to share this information with all the faculty & students. Also, display the above mentioned link in institute website, Facebook, etc., for the benefit of the student community along with faculty.

With Regards

AICTE
