A) Initiating the discussions Principal/Chairman IQAC stressed upon the need to have/procure highly relevant journals/e-journals in order to ensure availability of bare minimum literature/journals in the library. In this connection it was decided that Committee headed by Dr. Mohammad Jibrán Khan Coordinator UG/PG Courses shall identify such journals/e-journals in consultation with HODs of relevant Departments/In-Charge Library and obtain all necessary details including financial implications so that a final call is taken without wasting further time on this account.

B) The issue regarding availing access to e-journals already available with Institution of Engineers (India) (IEI), UGC care list, ISTE of which our college is already a member. These organizations need to be approached to explore possibility of having access to Journals on a minimum possible premium.
